# unentitled list shown in iphone chrome

The image shows a screenshot of an iPhone Chrome browser displaying the Kink.com website. The browser's status bar at the top shows 'Carrier', '12:34 PM', and a battery icon. The website header features the 'KINK.COM' logo and a 'more' button. Below the header is a navigation bar with a dropdown menu labeled 'View All Kink.com Sites', a left arrow, 'Page 1 of 10,289', and a right arrow. The main content area displays a list of 'Title of the Shoot' items, each with a 'shoot image' placeholder, a 'Trailer' button, and a 'Join to Watch' button with the text 'As low as 29.98/mo'. A blue bar labeled 'More from Hogtied' is positioned between the first and second items. Annotations with blue arrows point to various elements: 'filter by site' points to the dropdown menu; 'shoot details' points to the 'Title of the Shoot' header; 'view trailer' points to the 'Trailer' button; 'updates w/site filter' points to the 'More from Hogtied' bar; 'more/splash' points to the 'more' button; 'next page' points to the right arrow; 'view trailer' points to the 'Trailer' button; and 'join' points to the 'Join to Watch' button.
